### **DETAILED ACTION**

Claims 32-36 and 38-64 are pending in the present application. This Office action is in response to the paper filed 13 August 2005.

#### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 13 August 2005 has been entered.

#### ***Response to Amendment and Arguments***

The rejections of claims 32-36 and 38-64 under 35 USC 112 first and second paragraphs set forth in the Office action mailed 03 May 2005 have been withdrawn in view of Applicant's amendment and arguments.

#### ***Rejection Necessitated by Applicant's Amendment***

##### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 32-36 and 38-64 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 32 has been amended to include the phrase “may mimics [*sic*].” “May” is a permissive word such that the condition following the word is not required. Therefore it is unclear as to whether the clause, “mimics one or more effects,” in an actual limitation to the claims. Dependent claims 33-36 and 38-64 have been rejected for the reasons above.
